

OIL FREE ROTARY SCREW AIR COMPRESSORS

DSP SERIES 22-240 KW

OIL FREE AIR

ENGINEERED WITH A DIFFERENCE.

RELIABLE HITACHI ENGINEERED PACKAGE DESIGN
BASED ON MORE THAN 50 YEARS OF OIL FREE
ROTARY SCREW EXPERIENCE.

All DSP Series are Certified Class 0 per ISO8573-1 and carry
the Sullair Oil Free Seal.

INNOVATIVE AIR END CONSTRUCTION

The DSP series features an innovative air end design for
maximum durability and superior corrosion resistance.

- Patented PTFE-free coating
- Stainless Steel on 1st and 2nd stage rotors.
- High efficiency and heat resistant design

OIL MIST REMOVER (OMR)

- Oil mist from gearcase is removed with 99.99% efficiency.
- Recaptured oil mist returned reducing gearcase top offs needed - saving you money.
- Maintains gearcase at negative pressure
- Helps ensure a cleaner production environment around the compressor

MOTORIZED ISOLATION VALVE (MIV)

- Provides additional protection for the compressor against downstream humidity – one of the biggest enemies of oil free screw compressors.
- Located at the compressed air discharge, the MIV helps avoid migration of moisture back into the compressor package when the DSP is not running.

WARRANTY INFORMATION

All DSP Series Compressors feature a 3
year package warranty when continuously
serviced with genuine DSP parts.

Restrictions apply.
